## ***PREPARING TODAY'S LEARNERS AND TOMORROW'S LEADERS***

### **AFTER SCHOOL PROGRAM**

The Plevna Public School will again be offering an After School Program for the 2017-2018 academic year. The schedule includes a snack, homework time, free play inside or outside, game time, occasionally computer time, and time for clean-up activities. Following are the guidelines for the program:

- The Program is in operation from 3:15-5:30 p.m. Monday through Thursday. There are also other times, such as Parent/Teacher Conferences or early out days, when the Program will not be available. The Program concludes at 5:30 p.m. If you can't pick your child up at that time, please make other arrangements.
- When students sign in he/she is considered part of the After School Program and may not leave until he/she has been signed out by a parent or authorized individual.
- Homework assistance will be provided and academic success is the first priority, but parents must monitor and ensure that the child(ren) have fulfilled their responsibilities as assigned by the teacher. Many times all homework can't be completed in the allotted time, due to the number of participants and activities scheduled.
- The school provides a healthy snack. Please do not send candy or pop for your child to have at the Program.
- All academic and behavioral rules apply during the After School Program.

This program is designed to provide a safe location for students to extend their academic learning.

For those students **not** participating In the After School Program, or those who have teacher permission to work in a classroom, we ask that they remain in the supervised area until leaving the building. The intent is to limit disruptions for personnel who are completing their work day.

**WE ARE LOOKING FORWARD TO A GREAT YEAR!**
