

MT Farm to School Regional Workshops

Learn how farm to school is taking root in communities across Montana through school gardens, nutrition and agriculture education, and serving local foods in school meals!

See farm to school in action!

WHAT: The Montana Farm to School Regional Workshops showcase Montana schools that are making farm to school happen! Each event will include farm to school resources, tours, networking, and roundtable discussion and goal setting to help all attendees get involved. Also learn about the Montana Harvest of the Month program (www.montana.edu/mtharvestofthemoth) and how it is benefitting Montana schools and communities. Come learn, share, and get inspired!

WHO: Anyone interested in growing a vibrant farm to school programs from the farm to the school and beyond!

WHEN & WHERE: Hinsdale – September 22 and Plevna – September 29

REGISTER: Space is limited, so register early (for free) at:

<http://www.montana.edu/mtfarmtoschool/resources/training-event.html>

CORE ELEMENTS OF FARM to SCHOOL

Hinsdale, MT – Friday, September 22 – 9am – 3pm

600 Montana St, Hinsdale, MT

Come explore Hinsdale School’s garden, greenhouse, root cellar, and kitchen that all work together to provide a vibrant farm to school experience for students and staff. Students at Hinsdale School are growing food for their school’s tasty meals! This event will also feature a hands-on cooking demonstration for using more Montana Harvest of the Month and local foods in your meals at school or home. Learn how this program started and where it is headed under the leadership of Patti Armbrister. Lunch provided.

Plevna, MT – Friday, September 29 – 9am – 3pm

327 N. Main Street, Plevna, MT

Purple potatoes? See what students at Plevna School are growing in their school garden and what they bring into their school kitchen. Plevna School staff will share their journey in participating in the Montana Harvest of the Month program and how they make farm to school work as a team effort from the classroom to the cafeteria. Lunch provided.
