

School Improvement Goals

2017-2018

K-12

- All teachers provide daily opportunities for writing
- Incorporate Google Share, Google Docs in classroom instruction
- Increase knowledge and understanding of Common Core Standards
- All teachers provide at least one Close Reading assignment each quarter
- Utilize Accelerated Reader effectively for student learning
- Provide on-site/regional professional development opportunities
- Create lessons for Differentiated Instruction through development of lessons based on RTI techniques, MBI, Quantum Learning, and Classroom Instructional Strategies that Work.
- Implement effective MTSS strategies for academic and behavioral success

9-12

- Pursue dual credit
- Pursue AP course offerings
- Provide more Job Shadowing/Career Exploration
- Encourage Honor Society members and Buddy members to tutor or work with other students
