

Veterans' Day Program

November 13, 2017

10:15-11:00 a.m. in the Plevna School Gymnasium

To Honor our country's Veterans of the Armed Forces, Plevna School is inviting all Veterans to participate in our Veteran's Day Program. Each grade in Plevna Schools is preparing a special part in the program! There will be presentations of colors, gifts of flags, instruction on the proper folding of a flag, musical presentations by the band and the choir, readings and poetic presentations.

All veterans are invited to stay for lunch after the program. Please RSVP to the school by calling us at 772-5666 with your name so we can have a count of those sharing the morning with us.

We look forward to spending that morning with you and thanking you for your sacrifice and service to our country!
